

# 11<sup>th</sup> Annual Robotics Academy

Hey kids! Here is a fun and creative summer activity. Kids will learn how to build and program a robot using a LEGO robotics kit as they are led by members of the past FIRST LEGO League World Championship team. There will be a maximum of three children per robot. Kids will also have an opportunity to see other robots and will go on a field trip to see real-world robots in action. Only 24 students will be accepted on a first come, first serve basis.
