

CA Launches Mobile Website “App”

If you’re looking for the latest CA information it’s now at the tip of your finger. CA has developed a website that is compatible with mobile devices. By following a few simple steps you can have your own CA “App”.

On an Apple device:

1. Open up Safari and head to:
<http://www.carman.k12.mi.us>

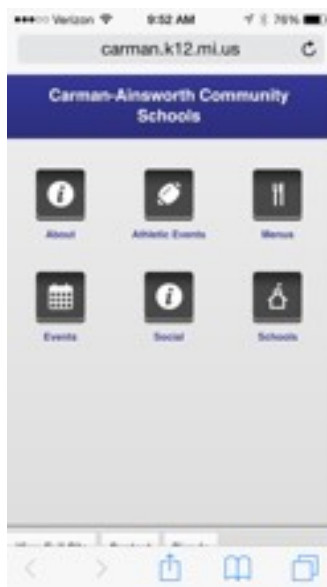

2. Then tap on the Share button (looks like a square with an arrow pointing up).

3. Then click Add to Home Screen

4. Click the button that has been added to your Home Screen and you will see the following:

These buttons (Athletics, Events, Menu, Social, Schools) will take you to the latest CA information linked directly from our website in a mobile friendly format.
